

# REVAMP YOUR TEACHER PD THIS YEAR

Support your teachers with proven **SEL Professional Development** to drive engagement, collaboration, and cohesion in their classrooms.

The **Brainchild Collective** offers **Professional Development** workshops to help teachers address common classroom challenges with SEL.

Each year we serve 6,000+ Chicago students across 65+ school partners. We are experts in helping students achieve measurable outcomes.

## AN INSIDE LOOK INTO THE BRAINCHILD COLLECTIVE PD WORKSHOPS

Our research-backed activities provide your teachers with the skills and techniques they need to excel this school year. Our sessions are fun and engaging to help drive collaboration and cohesion amongst your teacher staff.

Our PD Workshops are tackling these PD challenges:

- Organizing chaotic energy in the classroom to keep students focused
- Building healthy relationships between students to circumvent
- Navigating low energy, boredom and fatigue in the classroom
- Motivating students to improve attitude and improvement

Teachers leave our workshops with a toolkit of responsive practices to solve common classroom challenges.

## WE PROVIDE THE FOLLOWING SESSIONS THAT YOU WON'T SEE IN A TRADITIONAL SEL PROFESSIONAL DEVELOPMENT PROGRAM

Sessions include:

- Energizing Your Classrooms, Students, and Mindset
- Tapping Into the Super Power of Positive Relationships
- Navigating Power Struggles In the Classroom
- Moving from TikTok to Presence in the Classroom
- Creating a Classroom Environment Students Crave to Be A Part Of
